

FAVER
ASSOCIATION
NEWSLETTERS

1997 - 2008

Excluding 2006

Compiled by: Claire Adams Jackson

October 2008

FORWARD

In 1980 the Faver Family decided that it made more sense to create interest in the family reunions to have an annual family newsletter than the routine invitation letter. From that idea the **Faver Association Newsletters** were created. After attending the family reunion for the first time in 2006, I decided to look into the compiling of these newsletters from 1997, where the first publication for public reference stopped to the most current letter.

In honor of Alma Yarbrough Carroll, Sandra Faver Davis, Nancy Faver Hardegree and Polly Faver Power these newsletters, with the exception of 2006, have been compiled and index so that future generations will be able to follow the lives involved in these Faver families.
